THE CATHOLIC HALF ORPHAN ASYLUM.

In Eleventh street, has used Surrman's Lozenges are for the last two years, with great benefit. Whenever the children have coughs, a few of Shermain's Cough Lozenges cure them in a little time. If worms, one of two does of Sherman's Lozenges are sure to destroy them. In 19ct, Sherman's Lozenges are ever used but with the happiest results. The Lozenges are ever used but with the happiest results. The have been too long and too well known to need any additional proof of their great and salutary virtues.

The Rev. Mr. CURRAN, of Harlem, has known Sherman's Fever and Ague Lozenges cure cases of long standing and where other means failed to give relief. He has seen many who have used Sherman's Lozenges for cought, worms, &c. Ne., and usver knew any thing to do so much good.

Dr. CHARLES J. CARY, of Macon, Georgia, one of the first Physicians of the age, says Sherman's Lozenges are not only the pleasantest, but best medicine he ever knew. He has used Medicated Lozenges made by others, but none that ever could compare with Sherman's Dr. S. is the only skilled and scientific compounder of medicine in this form in America. Such is generally known, and, therefore, the few who have attempted to follow in his footsteps have never been able to find many willing to try their imitations, while the granner Sherman's Lozenges have been sold in enormous quantities to almost every part of the world.

LEONARD ROGERS, Esq., an old Revolutionary here, who has fought his country's battles in two wars, now 96 years old, says Sherman's Cough Lozenges saved his life when his physician and family gave him up to die. He can be seen at his residence, 205 Tenth st.

Hon. EDMUND J. PORTER has used Sherman's Lozenges in his family for worms, coughs, &c. &c. They always cared in a short time.
